## COMMODORE REPORT

June was such a great Month! As of June 18th the club bar opened back up like it was before COVID. It was so great to see members enjoying drinks, and playing darts in the bar. Rodney held an anchor seminar that was well attended by members. Thank you Rodney for the great information. Peggy was busy this month putting on the Otter cup, two Fun Sails, Little Boreas and the Canyon Series races. Thank you Peggy and crew for all your hard work. It was so great to once again see members, guests, and reciprocal members enjoying our hidden gem that we know as Elkhorn Yacht Club.

With the club returning back to normal we can now look forward to enjoying the social activities that we missed last year. August 7th we will be celebrating Elkhorn Yacht Clubs 75th Anniversary. This event is a celebration of all the past and present members and their work they put into the club that makes it the great club it is today. It is also a thank you to our current members for hanging in during the challenging time we faced during Covid. The day will start off with a boat parade, followed by food, relay races, lawn games, and music. August 28th we will once again host the Double Angle Invitational, which is always a great time. Stay tuned for more social events coming in the future.

I want to give a big **Thank You** to Melissa Kelly for keeping the club in line with the County Health Department guidelines and keeping our members safe during covid. It wasn't always an easy road but you handled it professionally and with much grace. I would also like to thank the bartenders, Linda Mae and Anna for following protocols and changing bar service so we could stay open. We are lucky to have such great staff.

Toni Scarborough  
Commodore

Enjoying the bars new cozy corner

## VICE COMMODORE REPORT

Hello EYC!

It's already July - the summer is slipping by too quickly. What a wonderful feeling to all be back in the bar and enjoying EYC friends and guests. I discovered the perfect poem to go with the season by a Carmel poet, Robinson Jeffers. I identified mostly with the idea of bonfires on the ocean and likened it to a cool evening on the patio here at the EYC with the fire pits lit. Grab the warm when you can get it but I'm sure grateful during these heat waves to be in the Moss even when the old grey fog comes misting in.

The Little Boreas race was a success and racers enjoyed our new bar furniture as well as the fire pits on the patio. Great work Peggy Carroll and a special thanks to the BBQ/Cooks and Serving Team!

Melissa Ackerman  
Vice Commodore

### **July Fourth By The Ocean By Robinson Jeffers**

The continent's a tamed ox, with all its mountains,  
Powerful and servile; here is for plowland, here is  
for park and playground, this helpless  
Cataract for power; it lies behind us at heel  
All docile between this ocean and the other. If  
flood troubles the lowlands, or earthquake  
Cracks walls, it is only a slave's blunder or the  
natural

Shudder of a new made slave. Therefore we happy  
masters about the solstice

Light bonfires on the shore and celebrate our power.

The bay's necklaced with fire, the bombs make crystal  
fountains in the air, the rockets

Shower swan's-neck over the night water.... I  
imagined

The stars drew apart a little as if from troublesome  
children, coldly compassionate;

But the ocean neither seemed astonished nor in awe:

If this had been the little sea that Xerxes whipped,  
how it would have feared us.

## REAR COMMODORE REPORT

Freedom! Freedom! This week I walked into the club for the first time without a mask and felt free to hug and shake hands!! What a great feeling. I want to congratulate our club manager Melissa on the great job she has done keeping us current with the Department of Health requirements and gently keeping us in line.

June has been a great month for racing. The Otter Cup and Little Boreas along with the PHRF races have been fun. The only thing that would make them better would be having more EYC boats represented. I know that many of you are intimidated by racing, but EYC races are more about fun rather than competition. I know that the skippers of our 3 regulars on the races would be more than happy to help anyone who wants to get out there with us. Dan Garrett has regularly taken guests out and the skippers of Solace and UmBelDi have done the same. You only need to ask!

One last request - please do your part to keep our property looking good. If doing work on boats or cars in the parking lot, clean up after yourselves. Don't leave dirty oil receptacles, rags and other things for others to clean up or run over!

Rita Jacques  
Rear Commodore

## MEMBERSHIP NEWS

### Welcome New Members

#### Meet Fernando and Nancy Oliveira

Fernando and Nancy live in Hollister and have 5 children and 13 grandchildren! They own a 42 ft. Californian Trawler docked in the South Harbor. The majority of time during the past 40 years they have had their boat in Moss Landing with a 5 year stay in Sierra Pointe Marina in San Francisco. Fernando was born on the Island of Pico, Azores, Portugal and grew up without running water or electricity. He came to the U.S. when he was 18 years old and became an American citizen in his 20's. An interesting fact about Fernando is that after retiring and owning his own construction company, he was recruited by the Coast Guard to restore 6 lighthouses along the California Coast, which he did successfully. (For one of the lighthouses, he was taken over by helicopter.)

Nancy is a retired Registered Nurse and active in two nonprofit groups in Hollister. Together they crewed a 42 ft. Catalina on the Bahaha in 2000. They both love cooking and entertaining

at their home and on their boat named Cheers! They remarked, "We would like to crew with you experienced sailors to learn more about sailing and volunteer at the Yacht Club where we are needed." They are happy to be back in Moss Landing and a part of the EYC. Welcome Fernando and Nancy!

#### Meet Pamela Jean and Jeffrey Lorek

Pam and Jeff come to us from Granite Bay (northeast of Sacramento). Pam is from the Bay Area and Jeff was born in Chicago and raised in Rock Damn, Wisconsin. Both are CPA's who first met at a CPA exam review course. That course went very well – they have been married for 31 years! They have two children, Sydney and Ryan, both of whom attended Santa Clara University and are employed in San Jose. Jeff and Pam have a vacation home just south of Moss Landing and enjoy getting out of Sacramento's heat with the intent to retire there.

Pam is self-employed and Jeff works for MilliporeSigma (life science) as a controller. They both love camping and charity work (especially cooking). The Soup Kitchen is their favorite charity activity and they have been cooking for St. Vincent De Paul's soup kitchen for over 10 years. They have chaired over 20 large events over the years and held board positions for numerous organizations. A fun fact about Jeff and Pam is that 3 years ago, in their words, they "turned their home (inside and out) into a haunted house and had over 800 people attend. Of course, the entry fee was a canned food drive which we donated to St. Vincent De Paul's food locker." Their motto is: "Work hard - play harder!" They are interested in "helping the Club grow and meeting new friends in the area."

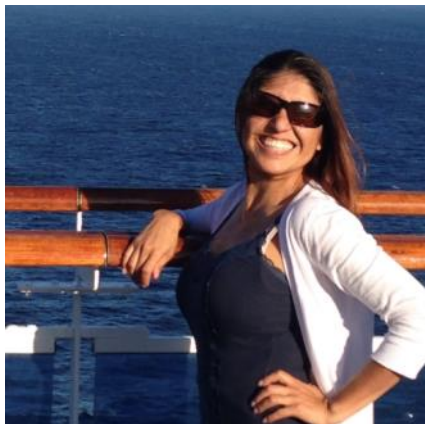

Welcome Jeff and Pam!

## MEMBERSHIP NEWS

### WELCOME NEW MEMBERS

Meet **Ana Mikey** in her own words:

"I reside in Aptos and grew up in Sunnyvale. I'm an executive director of operations in the real estate field and the Vice President of the Capitola Coast Lions Club. I host leadership and affordable housing training workshops. I enjoy traveling, wine tasting and champagne. I have six wonderful children, two daughters and four sons. Although I only have three left at home. Octavio is 19, a full-time student and a musician. Maya is weeks away from her 17th birthday and Mathew will be a freshman in the fall. Both are talented artists. We have a sailboat in the South harbor that I'm excited to get out on the water. I cook, love hosting and putting on events, gardening and a total foodie. I'm excited to make new lifelong friends, the opportunity to crew and learn how to sail. Additional facts about me: I love eggs benedict and try them everywhere I go. I'm fluent in

Spanish and am studying French. I met Julia Roberts on one of my trips to Santa Fe, NM. I love basketball, football and hockey."

Welcome Ana to EYC!

Susan Osorio  
Membership Chair

## CASUAL CRUISERS

### Casual Cruisers-----A new reflection on an old theme

Long before Colleen and I joined the club there has been a tradition of getting together midweek for breakfast. Each Wednesday members would gather at 10 at the Moss Landing Cafe, have breakfast, tell fish and boat tales, solve all the world's problems and then go out and sail. On some mornings we had as many as three boats hosting anxious sailors.

Well, along came The Virus and this and that and the numbers have dwindled. I actually can't remember when anybody went out on the water afterward. And it never mattered; we'd all walk away with smiles and a happy stomach. Just a bunch of friends getting together.

And that's the message of this article.

"Come on Down!", visit with friends, have a great meal and enjoy the fellowship.

Heck, there's a picture on the cover of a past Lee Rail of 17 of us one Wednesday morning. The Cafe always finds room for us. You don't even need to be a member of the club!

So, let the 'Casual Wednesdays' roll!!! 10AM, Moss Landing Cafe.

See you then

Scott

## SAILING/RACING

What a month June has been! Two Invitationals - two weeks apart... the final two races of the Spring Fun Sail Series...Race four of the Canyon Series...and, oh yeah - yellow tier to no tier!

### Otter Cup

The first invitational of the year and the first invitational in over a year with a bit of "normalcy" (yellow tier) was held on June 5th. After a clean start, with okay winds, the race was on. In PHRF A, Maverick and Solstice, both from MYPC, battled it out the entire distance. With only about a half mile to the finish Maverick made one final move that propelled them past Solstice for the win. In PHRF B, Peabody and Calphurnia, both from MYPC, also were both very close. Peabody got the lead and held onto it for the win. EYC's entrant in the B fleet, Un Bel Di was hanging close and definitely looking at at least a third place finish until about 4 miles from the finish when "a problem" with their Jib took them out of the running (good news - thanks to the wonderful Ken Gardner it was fixed and ready to go for Little Boreas). In the Jib & Main fleet (PHRF C) EYC had two boats, Solace and Cutlass, matching up against Feisty from MPYC. This group was definitely a lesson in handicaps - 153 & 156 for EYC boats and 240 for Feisty. Solace crossed the line with an almost ten minute lead over Cutlass and then waited to see when Feisty would finish. Eighteen minutes difference in "real" time...would it be enough? When the corrected times were calculated **Solace had placed first** by three minutes! Feisty took second and Cutlass (Dan Garrett's first Invitational as a Skipper) had third. Entourage (MPYC) was the only entrant in PHRF D (Multi-hull) and not only flew the course in around two hours but got some great drone footage that he shared [https://youtu.be/UKL\\_tQRlusw](https://youtu.be/UKL_tQRlusw) All in all, everybody had a great day and a great time at the club after.

### Little Boreas

Two weeks after the Otter Cup and just four days after the lifting of most COVID restrictions the Little Boreas was full-on GO! Eighteen boats, four divisions, and over eighty meals to be made and served.

**THE RACE** - With very light winds the boats headed out from Santa Cruz headed up to Natural Bridges and then shot (not as fast as hoped) down to Moss Landing. In "real" time the first four boats in PHRF A crossed the finish line, led by Maverick (MPYC), within nine minutes of each other. First place went to Maverick with Motley Crew (SCYC) taking second. PHRF E - the Santa Cruz 27s - were the next group to hit the finish line. Kasatka and Mistress Quickly crossed with only twenty-seven seconds separating them. The final results had all five boats finishing within eleven minutes of each other. Once again the 27s put on a great battle (and as always, had a blast). As the race went on the wind got worse (less) and those in B and C fleets paid the price so to speak. In PHRF B New Wave (MPYC) and Avatar (SCYC) finished first and second with Un Bel Di (EYC) coming in third. A couple of boats in PHRF C found a little bit of wind and outpaced everybody. The Perfect Thirty-Six (SCYC) and Geronimo (SCYC) finished within six minutes of each other and over twenty minutes ahead of the next closest boat. Tusitala came across the line third while Solace (EYC) and Cutlass (EYC) jostled for club bragging rights. With about 1.5 NM to go Cutlass managed to fill out her jib and break ahead of Solace. Dan and his crew were downright giddy to have passed, and ultimately crossed the line ahead of Solace. In true Corinthian Spirit, Solace sent encouragement and congratulations via radio to Dan. C fleet (Jib & Main) had quite the ratings spread (low of 87, high of 162) and when the times were calculated first went to The Perfect Thirty-Six, second to Geronimo, and **third to Cutlass.**

Special Thanks to Karen Rosen for helping on the finish line of both of the races!

Special thanks to Stefan Berlinski, SCYC Race Director, and his daughters for running a great start and helping on the finish line.

## SAILING/RACING

**EYC NOTES** -It was GREAT seeing Mariko racing...way to go Keith! With our boats sailing in different fleets the skippers always want to know how they did against each other so here is what the finishes would have looked like if they were just regular club races: the corrected order of finish for Otter Cup was Solace, Cutlas, Un Bel Di and for the Little Boreas it was Un Bel Di, Cutlass, Solace, and Mariko. Thanks to the skippers and crew for representing EYC so well!

**THE PARTY** - What is there to say but WOOHOO! It was absolutely wonderful to see the club in darn near pre-COVID Invitational mode. None of it would have been possible without the Melissas leading the way. Melissa Kelly and Melissa Sopata organized and pulled off an amazing event that six days earlier had us crossing our fingers and hoping it could happen at all. The crew of volunteers absolutely rocked the cooking and set-up/take down. I can not thank Melissa S. and the "meal masters" enough - John Wichmann, Richard Rocchi, Jay Rasmussen, Michelle Gentry, Frank Tarantino, Miche Daly, and Amanda Killough -you executed the plan to perfection! Add in our wonderful bartenders and once again EYC lived up to its reputation for great times post racing.

In addition to it being a great post-race party there were birthdays that made it extra special. The MPYC Cruisers came to root their boats on but also had a surprise for Gregor Calliet, one of their former Commodores/racers. Managing to keep it very hush hush, his wife Di-anne organized a birthday cake (85th) and tributes. The next surprise, and probably one of the "coolest" things of the night, was the birthday (yep, more cake) celebration for Alexander Mirfield. Alex was not only celebrating his 11th birthday - he had just skippered Good Timin' (SC27) in an Invitational for the first time!. The other SC27 skippers were hoisting him on their shoulders as everybody clapped and cheered. Most everybody was commenting on how perfect it seemed - emerging from this past year...being able to race...gather...and represented by these two birthdays, celebrate the past and the future of our sport.

Since this is running long I will get an email blast out about the Spring Fun Sail Series and the fourth race of the Canyon Series (which as of the deadline hasn't happened).

### UPCOMING:

**July 4th - Start of the Summer Fun Sail Series. Skippers and those wanting to crew/learn at noon. 1:00 p.m. start. Quick race and back to the club for the festivities. Bonus points for "Red, White, and Blue"**

July 4th - Firecracker Regatta (MPYRA series) Santa Cruz to Monterey

Peggy Carrol  
Race Director

## SAILING/RACING FINAL RESULTS

### Otter Cup

#### PHRF A

- 1-Maverick, Jean Du Preez, MPYC
- 2-Solstice, Michel Polkable, MPYC

#### PHRF B

- 1-Peabody, Donna Womble, MPYC
- 2-Calphurnia, Jeff Kise, MPYC
- 3-Patos, Dana Russell, MPYC
- 4-Un Bel Di, Sydney Drake, EYC

#### PHRF C

- 1-Solace, Lara Jacques, EYC
- 2-Feisty, Allen Robinson, MPYC
- 3-Cutlass, Daniel Garrett, EYC
- 4-Seabiscuit, Jonathan Paul, MPYC

#### PHRF D

- 1-Entourage, Benjamin Carver, MPYC

### Little Boreas

#### PHRF A

- 1-Maverick, Jean Du Preez, MPYC
- 2-Motley Crew, Jim Crowley, SCYC
- 3-New Wave, Mark Merritt/Tom Faraola, SCYC
- 4-Kemosable, John Martinelli, SCYC
- 5-Mariko, Keith Chastain, EYC

#### PHRF B

- 1-New Wave, Ryan McMillen, MPYC
- 2-Avatar, Douglas Mahone, SCYC
- 3-Un Bel Di, Sydney Drake, EYC

#### PHRF C

- 1-The Perfect Thirty-Six, Steve Niemann/Maureen Hill, SCYC
- 2-Geronimno, Niels Kisling/Jack Kisling, SCYC
- 3-Cutlass, Daniel Garrett, EYC
- 4-Tusitala, Jim Weaver, SCYC
- 5-Solace, Lara Jacques, EYC

#### PHRF E

- 1-Kasatka, Rachel Cherry/Mark Voropayev, SCYC
- 2-Mistress Quickly, Evan Diola, SCYC
- 3-Sophie, Maurice Cornblatt/Randy Clee, SCYC
- 4-Rio, Soeren Brinkmann, SCYC
- 5-Good Timin, Alexander Mirfield/Gary Mirfield, SCYC

**Club Hours 1 p - 9p**  
**Food Service 2:30p - 5:30p**

## UPCOMING EVENTS

Join us August 7th for  
**Elkhorn Yacht Club's 75th Anniversary Party**  
**Food, Boat Parade, Games, Music & More**  
**Stay tuned for more details**

## THE BOAT HOP RETURNS

After a year's absence the **World Famous Boat Hop** returns to the Elkhorn Yacht Club. Mark your calendars for Saturday, October 2 right out in front of the club in the North Harbor. As in the past, 12 Host Boats will be serving appetizers, a soup or salad and a dessert. Dinner will again be served in the dining room under the direction of our own Chef Brian Ackerman.

### **What the heck is the Boat Hop?**

We're pleased that in the past two years we've added several new members that haven't experienced this phenomenal extravaganza.

The **World Famous Boat Hop** is a progressive dinner that begins with a Host Boat serving an appetizer then followed by a Host Boat serving a soup or salad, then progresses to the dining room for dinner and ending back on a Host Boat for your dessert. Each Host Boat chooses their own menu for their category so every boat offers something unique. Each course will take 30 minutes allowing guests time to travel between boats and the dining room. Thus each guest experiences two terrific hours of great food in a terrific aquatic setting. This year we will start earlier than in the past. First appetizers will be served beginning at 5PM with the last appetizer being served at 6:30. First dinner will be served at 6PM. As always, the earlier you sign up the more latitude you have in selecting your starting time.

**This is one of the most popular events of the year and preferred times are taken early, so DON'T DELAY!** Tickets are the same as in the past, only \$25 for the entire evening. Of course, the bar will be open during the entire event. Tickets go on sale August 4<sup>th</sup>. More details in the next Lee Rail.

### **Do you want to be a Host Boat?**

As of this writing (late June), there are still Host Boat positions open. We still need 2 soup/salad boats and 2 dessert boats. Contact Scott, Howard, Toni or Melissa Kelly. We'd love to have you Host.

Scott Richert, Howard Jones, Toni Scarborough

## AROUND THE CLUB

**Members enjoying the first day of the bar opening back up.**

**Rodney's Anchor Seminar**

**Little Boreas Cooking Crew**
