

Monterey Bay PHRF
c/o Santa Cruz Yacht Club
244 Fourth Avenue
Santa Cruz, CA 95062-3835

February 20, 2025

Dear PHRF Racer,

Attached please find your application for a 2025 PHRF Certificate. You have been mailed this application because your boat has previously been rated by Monterey Bay PHRF.

Each rating certificate has been generated specifically for your boat to expedite the application process. The boat measurements were taken from your previous application. Please review the measurements carefully and make corrections on your form. If you have modified your boat the application needs to be changed accordingly.

For boats with multiple owners, please provide a single name, address and email as a point of contact on the form.

Please sign and return the application with your fee of \$20 by mail as soon as possible or in person to the Santa Cruz Yacht Club. Make your check payable to MBPHRF. Also payable through Zelle account mbphrf@gmail.com .

If you wish to have your previous rating re-evaluated, please enclose a brief letter with your application outlining your reason why a change is merited, including detailed race results. These requests will be reviewed after we receive them, please feel free to discuss your request with your local PHRF handicapper, which are listed below.

You will receive a signed copy of your rating certificate after it has been received and processed. We have been able to donate \$3,000 to EYC, MPYC, and SCYC for Regatta racing and safety programs, with the certificates proceeds each year.

Best regards
Monterey Bay PHRF Committee
